

Patriot Energy is a full-service retail energy company focused on providing supply solutions to commercial and industrial businesses in competitive markets across the country. As the largest retail electric and gas broker in New England, Patriot Energy manages a high volume of transactions on a daily basis and has successfully secured competitive supply arrangements for over 7,500 customers. We provide our clients with the expertise and transparency necessary to make an informed decision when selecting a purchasing strategy best suited for their facilities unique consumption profile, as well as their short and long-term business needs. Patriot Energy representatives are available to meet with you to answer questions, review our programs, and ultimately design a customized purchasing strategy. When choosing Patriot Energy you will still be a valued customer of the local utility that "delivers" your electricity or natural gas to you. They will still maintain the wires, pipes and meters that gets the electricity and gas to your business. You will however gain the ability to take control of your energy costs. Patriot Energy has a staff of full-time employees that work in our operations department and customer service center who are readily available to answer enrollment and billing questions. Patriot Energy is committed to providing your business with the highest level of service and value for your energy procurement needs.
